Thank you to everyone who auditioned! We had a record breaking turnout which made casting extremely challenging because of all the amazing talent. We couldn't be more excited for this show and this amazing cast! Our first rehearsal will take place on Wednesday, December 19th from 2:30pm-6pm. This is a very important rehearsal as we will be doing a "read-through" and discussing a lot of logistical information. Please email the Production Manager Grace Boyd at 2002GraceB@gmail.com to accept or deny your role(s) before the first rehearsal. If you cannot make it, please speak with Mr. Hewitt as soon as possible.
